A Coming Year Of Adventure

Dear friends,
A few days ago, I got an email from Amazon.com with the subject that read, "Only 150 days until Christmas!" I slumped back in my chair and wondered

where the summer has gone! Christmas is coming, yes, but we'll talk about that later. First, let's talk about August, which is going to be a **big** month here at Grace! Bishop Taylor will make his pastoral visitation to Grace on Sunday, August 7, when he'll confirm and receive 13 new members into our parish family. It'll also be his last visit to Grace before he retires in October. A bit later in August, we'll kick off our program year with a festive combined liturgy on Sunday, August 28, where we'll bless our children and give out backpacks as they prepare to begin a new school year. Following the service, we'll have many events for kids, and a

Another successful run of the ecumenical day camp, swept up the beach July 11-15 at First United Methodist. This year's theme was Surf Shack: Catch the Wave of God's Amazing Love, and the program served over forty kids.

THE BISHOP'S VISITATION is Sunday, August 7, when Bishop Taylor will be celebrating and preaching at both services. At 10:30 he will be confirming and receiving as well, and at 9:30 he will lead a forum. A reception will follow to honor the newly received and confirmed, and to greet the Bishop.

BACK-TO-SCHOOL SUPPLIES Once again, the Backpack Committee will be gathering school supplies for needy students at Mt. Crest. Everything BUT filler paper is needed. Pencils, crayons, colored pencils, markers, glue sticks, composition notebooks, 3-ring binders, backpacks (new or gently used), Kleenex, pocket folders, and ear buds are especially needed. Please bring donations to the Church or Parish Hall.

NURSERY WORKER WANTED We are grateful to Taz Sprouse for her supervision of the nursery. However, Taz will not be continuing in her position. Effective immediately, applications are being accepted for a nursery co-supervisor to work with our existing co-supervisor and volunteers, serving on Sundays from approximately 9:45 a. m. to approximately 11:45 a. m., and at special services as available and assigned. This position pays hourly, and the successful candidate will be willing to submit to background checks, safeguarding training, and will be answerable to the Rector. All who are interested should contact Fr. Marshall at 828-437-1133 or rector@gracemorganton.org.

END-OF-LIFE WORKSHOP One of the most important conversations (though seldom the easiest) we can have with our loved ones is to discuss our wishes for our end-of-life financial, legal, medical, and pastoral needs. On Sunday, September 11, the Finance Committee will host a luncheon and workshop for all members of Grace Episcopal Church to learn more about end-of-life planning. Presenters will include a CPA and Certified Financial Planner, an attorney spe-

cializing in estate planning, the chaplain from Grace Hospital who will discuss advanced directives, hospice care, and more, as well as Fr. Marshall, who will discuss funeral planning, options for burial at Grace Episcopal Church, and other pastoral considerations.

A catered lunch will be served at noon, followed by the presentations. Please RSVP to the office so we have an accurate count for lunch. A donation of \$5 per person will be accepted to assist with the cost of lunch.

Children and Youth Ministries

Children's Program Hits the Ground Running

Molly Franklin, new Director of Children and Youth Ministries

Children's activities will start off the program year on August 28 during Kick-Off Sunday. There will be one service that day, at 9:30 a. m., which will include a blessing of the backpacks. With the help of the EWC, Molly Franklin, our new Director of Children and Youth Ministries, and the Children's Committee have prepared backpacks to be given to the children of Grace, filled with all kinds of surprises. After worship, there will be a bouncy house and games for the children outside as well as popcorn.

The next big event will be a family game night following GK Choir practice on Wednesday, September 14. Bring your favorite board games (AND PIZZA) and join us for an evening of fellowship. Sunday School will begin Sunday, September 18. Stay tuned for more information.

ATTEND THE 95th CONVENTION OF THE DIOCESE OF WESTERN NORTH CAROLINA

Each year, the Diocese of Western North Carolina meets at Kanuga Camp and Conference Center in Hendersonville for Diocesan Convention. Clergy and laity from every parish and worshipping community in the Diocese are represented. It's a time of teaching, learning, fellowshiping, and worshipping. Grace Episcopal Church will send two lay delegates, elected by the Vestry, along with Father Marshall and Deacon Mike. Two alternate delegates will also be selected by the Vestry in case the delegates cannot attend. This year's 95th Diocesan Convention will be held beginning Friday afternoon, November 11 through Sunday afternoon, November 13. This year's convention is particularly special, as it will be Bishop-elect José McLoughlin's first as our 7th bishop. We'll hear his priorities for the future, elect new diocesan leadership, pass a budget and other resolutions, and hear what's going on around the diocese and the wider Church. Grace will cover the travel, lodging, and registration expenses of the delegates. If you're interested in attending, please contact Fr. Marshall.

ministry fair displaying all the ministries at Grace, with information about how to get involved. Elsewhere in this issue, you'll learn about a new book group, "Reading with the Rector," Diocesan Convention, the work of the Mission and Outreach committee, and more. Are you tired yet!?

As we prepare to return to a fuller schedule and embark on a new "program year," I am particularly mindful of the many places that God is working in our midst. Molly Franklin joined our staff in July as Director of Children & Youth Ministries, and she's off to a great start! Our backpack ministry is serving more families than ever, and the support of their ministry from our parish and the wider community is truly remarkable. Our adult and children's choirs are growing in every way imaginable, and I can hardly wait for them to return to lead worship this fall! These examples are but a few of the many.

Grace Episcopal Church is truly a remarkable, thriving, and growing place, and the possibilities are endless! But our growing and thriving ministries are only possible because of the time,

Reading With the Rector

Beginning in September, Fr. Marshall will lead a book group that will read *Public Faith in Action: How to Think Carefully, Engage Wisely, and Vote with Integrity*, by Miroslav Volf and Ryan McAnnally-Linz. As the title suggests, the book delineates the responsibility of all Christians to engage the public (and political) sphere in good faith, relying on critical thought and deep integrity. Miroslav Volf is the Henry B. Wright professor of systematic theology and is the founding director of the Yale Center for Faith & Culture. He is among the leading Chris-

tian theologians in the United States (and he's an Episcopalian!) His co-author, Ryan McAnnally-Linz is a research scholar at the Yale Center for Faith & Culture.

The book engages some of the most important—and the most fraught—questions of our day: guns, the environment, terrorism, and human sexuality, among many others. Volf and McAnnally-Linz take great pains to steer clear of partisanship and political endorsements, and the grace and charity with which they approach politics is a breath of fresh air. They are clear that they do not answer every question—or even most questions. But they are also clear that this is a conversation that is long overdue in the Church.

Join Fr. Marshall and others in discussing this important and timely book. Call or email the office to reserve a copy. A \$10 donation is requested to offset the cost. **The deadline to reserve a copy of the book is Monday, August 22.** More information will be forthcoming about meeting times and dates.

New Mission and Outreach Committee Formed

On Sunday, June 26, a lively group of parishioners gathered following the 10:30 service for the inaugural meeting of the newly-reconstituted Mission and Outreach Committee. The committee, which is open to everyone in the parish, has three primary goals: First, the committee will work to increase awareness of missional and outreach opportunities in our community, our diocese, and beyond. Second, the committee will assess the energy and expertise of our parish in taking on future outreach ministries and opportunities in order to ensure that it is a good fit with the gifts and skills our parish has to offer. Third, the committee will organize specific mission and outreach opportunities for the parish.

While the committee is continuing its work this summer and preparing to meet again in early August, several ideas and possible opportunities were shared. Committee members each left the meeting with a “follow-up” task to complete before the August meeting. Please pray for wisdom as we continue to discern how God is

calling Grace Episcopal Church to reach out in love and service to our neighbors.

One Parishioner's Experience

The call went out for Grace volunteers to work at the BUCM Soup Kitchen on Monday, July 4th. Since Richard and I had no plans for travel or company over the Fourth, we decided to lend a hand. We were so glad we did! We were a small crew: Skip Haynes, Danny Krieger, Pete Wallace, Trudy Anderson and the two of us. We put together a simple bagged meal of hot dogs, chips and goodies. Trudy decided, in honor of the holiday spirit, that we needed music and went home to get her CD player. When we next saw her she was entertaining the folks waiting to be fed with singing and dancing to oldies! Everyone we served that day was so grateful. They loved the music and thanked us for the food. We will definitely volunteer again.

skill, and devotion of our parish family, led and equipped by the Spirit who makes all things new! As we embark on the coming year of adventure, where is the Spirit equipping you to serve? In worship? Assisting with the building and grounds? Lending a hand with the administration of the church by serving on Vestry or another committee? A few months ago, I was at a conference with Sister Simone Campbell—you may know her as the leader of the “nun on a bus” movement advocating for social and economic justice. She pointed out that we all want to be the hands and feet of the body of Christ. But there’s far more to the body than that—and it’s all essential! She said, “I *used* to be the hands and feet—I was involved in direct community advocacy for years. But now, I think I’m the *stomach acid* of the

body of Christ: it’s agitating, and too much of it can be fatal, but if the body doesn’t have any at all, it couldn’t process the nutrients it needs to survive!” It was a jarring metaphor, but it was also a poignant reminder that *all of us* have a part to play in the body of Christ. There’s no such thing as a “retired” or a “part-time” disciple of Jesus!

So come, be a part of the vibrant, growing body of Christ at Grace Episcopal Church! Learn about new opportunities to serve at our ministry fair on August 28; make time, if you haven’t already, to welcome Molly to our staff; and get ready to rejoice with our bishop and the thirteen newest Episcopalians on August 7! I’ll see you soon!

Every blessing,
The Rev. Marshall A. Jolly,
Rector

the Parish. Dale was requested to check with the contractor regarding a starting date for the work.

Amendment to Rector's Letter of Agreement Caroline Avery made a motion to accept the amendment as presented. Jane Neal seconded. Motion passed. The Finance Committee will review the reimbursement of the cost of cell phone service at their July 11 meeting.

Stewardship Committee Caroline Avery and Father Marshall will contact several parishioners regarding serving as head of the Stewardship Committee. Meredith McSwain has agreed to serve on the committee.

NEW BUSINESS

2017 Vestry Formation The Vestry was asked to consider candidates to replace the exiting Vestry members. Dale Call, Jane Neal and Holly Camp will finish their terms and will serve on the Nominating Committee for new members.

Mutual Ministry Review Update Holly Camp reviewed some of

the things that the Vestry worked on at the Vestry Retreat:

Life does not continue on its own. We must work together.

We must communicate with each other. We all hear something different sometimes.

We were to ask parishioners to participate in leadership building. Create many opportunities for individuals to participate in the life of the church.

Communicate openly with the parish.

Mutual Ministry Review Update The next update will be in either December or January and Judy Buchly will remind us when it is due. Father Marshall will work on incorporating one of the exercises the Vestry took part in at the retreat in a church service for all the parishioners to participate in.

Dale Call made a motion to adjourn. Judy Buchly seconded. Motion passed. Adjourned at 6:35 p.m.

Respectfully submitted,
Norma DeFago, Vestry Clerk
